- Accelerate creative idea generation for business – untrained in modern careers
- Brainstorm new ideas to use right away -- network with innovative entrepreneurial thinkers – using the brain differently.
- Spark the "ah hah" brain (the other 90%) & integrate right & left brain higher intelligence strategies
- Do brain building for career & business
 - Research shows creation of new gray matter with deep mental focus exercise. See "Articles" at RightBrainAerobics.com
- Reduce stress and calm the mind in new ways for better business relationships

"Right Brain Aerobics is a great course! I never woke up before with so many ideas as I do now. Thumbs Up!" – M.S., Fortune 500 Software Developer, Sunnyvale, CA. "My Brain Is Working!" – Recent Microsoft Graduate. "This is the first time anyone has packaged all of this together for institutionalizing right brain thinking." -- Senior IBM Executive.
